Pranav Belhekar

Machine Learning Engineer

I have completed coursework in a variety of areas, including machine learning algorithms, data visualization, and data Handling, and have hands-on experience through projects. I am highly motivated, detail-oriented, and have strong analytical and problem-solving skills. I am confident that my education and experience make me a strong candidate for an internship in the field of Machine Learning and Data Science.

Work experience

Kaggle Contributor

present

- I am passionate about using data science and machine learning to solve real-world problems and make an impact in the world.
- I enjoy participating in Kaggle competitions and collaborative projects to continually learn and improve my skills.

Participated in Hackathons

- I have had the opportunity to participate in several hackathons and have always found them to be a rewarding and exciting experience.
- Hackathons are a great way to apply my skills in a fast-paced and collaborative environment, and I have had the chance to work on a variety of projects (Cohere, Data-solve, Vizathon).
- I have learned so much from participating in hackathons and have had the chance to work with some talented and motivated individuals.
- I am always looking for new hackathon opportunities to challenge myself and continue learning and growing as a data scientist.

Courses

- Introduction to Cloud Computing IBM (May 2022)
- Google Certified Google Data Analyst- Google (Oct 2022)
- Machine Learning Specialization by Andrew Ng
 -Coursera (Dec 2022)

Education & Learning

High School

New English School, Rahuri, 2006-2018

Junior College

Arts, Science and Commerce College, Rahuri, (Information Technology)- 2018-2020

Bachelor's of Engineering (BE)

D.Y. Patil College of Engineering, Akurdi. Artificial Intelligence and Data Science (3rd year).

Skills

- Python
- · C++
- · Data Structure
- Machine learning Algorithms
- Web Scraping
- Tableau
- Data Visualization
- Feature Engineering
- · Deep Learning
- SQL

Projects

- Automatic Cover Letter Generator (AI)
- Inventory Management System (SQL + GUI)
- Movie Rent System Group Project (AI + SQL)
- · Portfolio Website using HTML and CSS
